**Dear Sir/Ma'am,**

My name is Nikita Arora , I am a student at XYZ University pursuing Eco. Honors. I am willing to apply for bursary offered by AB Organization. I found out about this on a website. I have good academic record but I am not able to meet my educational expenses. My family is in financial crisis due to lay off. I want to pursue my career and I need to continue my course . Please enable me to pursue my career . I hope to give back to society, and I will work hard to meet you expectations. I have also attached academic details and certifications .I hope that you will consider my application and grant me bursary.

**Thank You**
