**Dear Sir/Ma'am ,**

I am writing this Email as I am interested in IT Project Manager position at Z Company. I have 5 years experience in Java , .NET, Python , Agile Methodologies and Databases . I have successfully completed my projects and was responsible for overseeing a range of projects. I am a team player , proactive in managing important and deadline sensitive projects. Furthermore I have completed my graduation in B.Tech with specialization in IT with 9 CGPA . I believe that my skills and qualities will be valuable for the company's growth.

I look forward for a positive response .

**Sincerely**
