**Dear Sir/Ma'am,**

I am writing this letter to inform you that I am willing to apply for bursary aid to assist my education needs. I am currently pursuing Economics honors . I have a great academic record but my financial resources are limited and hindering my educational opportunities. I am in need of bursary aid, I look forward to be a recipient of bursary program and I aim to continue doing good in my academics. I hope you find me a potential candidate and I look forward for further verification. Thank you.
