Dear Sir/Ma'am,

I am writing this letter to express my interest in applying for Master of Business Administration program at OP University for the batch 2020-2022. I believe that this program will build a solid foundation for my career as a business owner who is understand technology as well.I am a B.Tech graduated with specialization in Electronics and Communication Engineering from XY University. I have experience in various technologies and I have done various specialization courses as well. Over the years of learning I have developed problem solving and analytical skills and I want to pursue MBA so that I can enhance my abilities and apply them in business management also. I have secured my degree with 9.8 CGPA and 93% in High school . I have submitted my application for MBA program in Business Management and I look forward for Personal Interview and further process. Thank you for your valuable time for considering my application.

Yours sincerely

Vishal Bhatia
