Dear Sir/Ma'am,

I am writing this letter to express my interest in position of neurosurgeon in AB hospital. I am familiar and experienced in the field as I have done internship as an assistant with renowned Dr. Subh Sharma from XYZ Hospital. I love my work and I believe that my previous experience and knowledge as a neurosurgeon makes me a perfect fit to be a neurosurgeon at AB Hospital.

This position was introduced by Dr. Raj Kumar from your hospital and he has referred me for an interview. I am confident and an appropriate candidate for this job. I am attaching copy of degree and other relevant documents. If any other details are required please feel free to contact me on 78xxxxxx. I am hoping for a positive response. Thank you for taking time for my application.

Sincerely

Neetu Singh
