To the honorable Judge Maria J Norris,

I John Miller writing you regarding custody of my only child _____(child name). My marriage with my wife _____(wife's name) did not go well and unfortunately, we had to divorce each other after being in a relationship of 8 years.

So now I would like to have custody of my only child who is just 6 years old. Currently he/she is living with my _____ (mention name and relation). I take full responsibility for my kid and will do everything to give him/her a happy childhood and a good upbringing.

Please consider all circumstances as well as the welfare of my kid and then pass your decision.

I will be looking forward to holding my kid in my arm.

Thank you,

Yours Sincerely
