Subject:

Dear Kevin Broady,

I am a part of your Progressive Insurance bearing the reference ID 72648421. I would like you to discontinue the referred insurance with an immediate effect. The several benefits offered by this policy would have helped me. But due to financial crisis, I am unable to regulate premium payment.

All the payments made for the premium have been suspended. Kindly send me a confirmation on this matter within two months of sending this letter. I also request to process the refund of the unused amount under this policy.

Thank You

Yours sincerely,
Alex Aniston
