Dear Mr. Omghu,

Please consider this as my resignation letter. I'm resigning from my services on 2nd June 2022. Though it has been wonderful working here, I have to end my services due to some family reasons.

Kindly understand the situation and I regret to inform you that I will not be able to serve the notice period. You have always guided me and provided me many opportunities to grow, I shall always be grateful to you.

In the future, if everything settles and I get a chance to work, I'll definitely join my team. I am happy to assist in my replacement therefore, you can email me on (email id).

Once again Thank you!

Sincerely,
David Denial
