Subject: (_____)

Dear Nikole Thomas,

I Tom Ford had been working as (mention designation) would like to announce that I will be resigning from your company. (mention the date) will be my last working day and I'll serve my notice period of 2 weeks.

I have already discussed the reason many times before the reason for my resignation. For a couple of months, my seniors and a couple of members are bullying me, and sadly even after complaining no action has been taken. This has compelled me to take this decision as it was affecting my health on many levels.

So, Kindly accept my resignation letter and complete all the formalities.

Yours Sincerely
(Your Signature)
