Dear/Honorable/ To whom it may concern,  
I, Malvika Sitlani reside in Delhi and work at (company name). Mr./Ms (name of the immigrant) needed my help to refer her/him and write a good moral character letter for immigration. It was a pleasure writing about him/her. She/He is such a nice person that I was immediately ready to help her out. Mr/Ms(immigrant) has been associated with us for more than 10 years now. He/she is recognized for her/his high ethical values. He/she is sincere and performs his/her work exceptionally well. There is not even a single complaint have heard about him/her in these 10 years. I am sure having him/her in our country would be great to contribute to our country's economy.

Sincerely/ Truly  
Malvika Sitlani
